

SHAPING THE FUTURE WITH HUMAN VALUES, INFLUENCING CONTINENTS.

VALUES AT THE CORE. THE WORLD AS THE CANVAS.

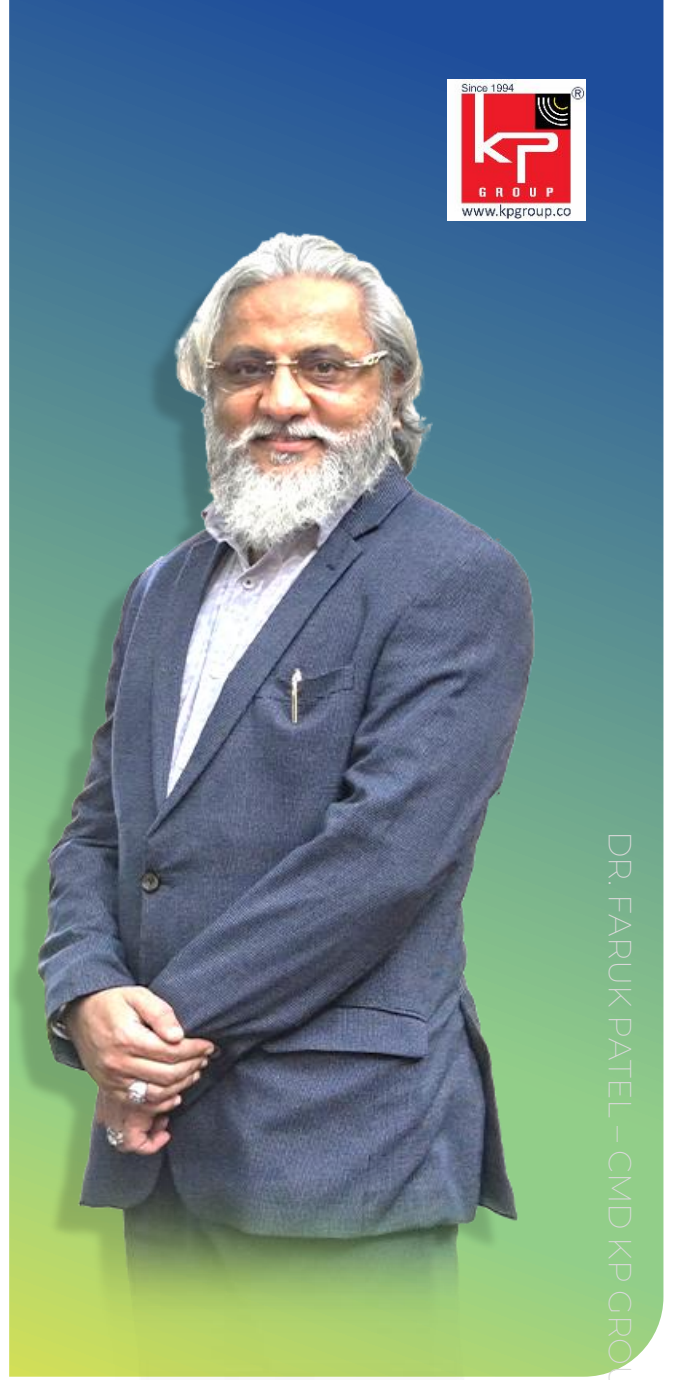

Dr. FARUK G. PATEL
Founder, Chairman & MD - KP Group

www.farukpatel.com

Introduction
Dr. Faruk G. Patel

Dr. Faruk G. Patel, Founder Chairman and MD of KP Group, is a **visionary entrepreneur**, **dynamic leader**, **philanthropist** and the driving force behind KP Group, one of India's leading players in the renewable energy sector. With over three decades of business acumen and an unwavering commitment to sustainability, he has transformed KP Group into a powerhouse of Green energy and Green engineering solutions, contributing significantly to India's renewable energy transition.

Under his leadership, KP Group has pioneered innovative solar, wind & hybrid energy projects to the tune of **10.6+ GW portfolio & 3.47+ GW IPP portfolio**, reinforcing its position as a key player in the industry. Dr. Faruk G. Patel's strategic vision has enabled the group to develop and execute large-scale infrastructure projects that align with India's ambitious Net Zero targets. His relentless focus on innovation, quality, and sustainability has led KP Group to remarkable milestones, including successful **public listings of group companies (KPI Green Energy, KP Energy & KP Green Engineering)** and numerous industry accolades. Today his company KPI Green Energy owns and operates **One of Gujarat's Iconic Private Solar Park** based in Sudi & developing one of our largest solar park, span in 5,862 Acres (CPP+IPP), at Khavda, Gujarat. Recently KP Group has also surpassed 1 GW in terms of installed IPP portfolio. While KP Energy is **Gujarat's #1 Wind Solutions Provider**, KP Green Engineering has also installed **Asia's Largest Galvanizing plant** at Matar, Bharuch. As a proud moment, 1MW Green Hydrogen pilot project has also been successfully installed.

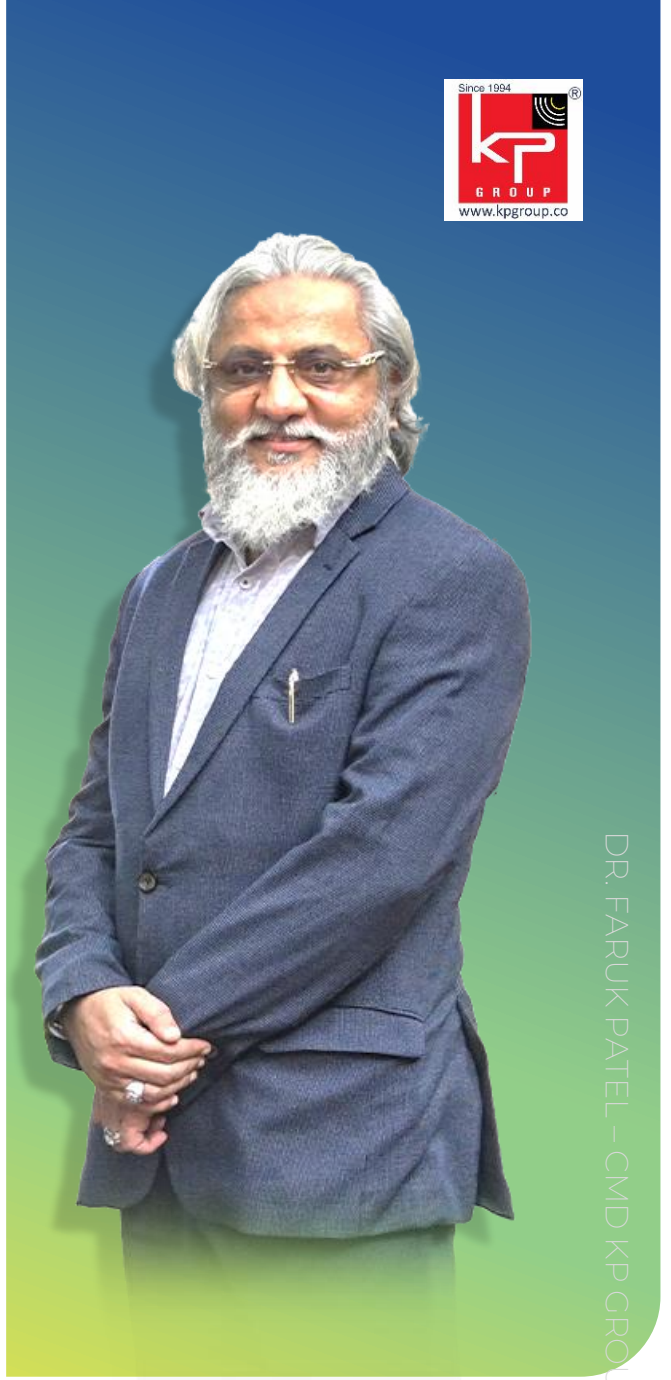

Continue..

Introduction
Dr. Faruk G. Patel

The group is now aggressively moving forward in the BESS (Battery Energy Storage System), Floating Solar, Offshore & Green Hydrogen Projects. The group has also acquired 100% stake in Gujarat based EPC company **Dek & Mavericks Green Energy Ltd.** KPI Green Energy Ltd. (part of India's KP Group) signed a binding offer in late September 2026 to acquire a 100% equity stake in **Saudi Arabia-based Alfanar Group**'s Indian wind subsidiaries—**Alfanar Energy Private Limited** and **Netra Wind Private Limited**.

With the launch of KP 3.0, Dr. Faruk G. Patel has set an ambitious long-term vision for the group's next phase of growth. KP 3.0 targets 10 GW of owned renewable generation capacity, 10 GW of third-party renewable project execution and 10 GWh of Battery Energy Storage capacity, creating an integrated platform spanning renewable generation, project execution, energy storage and green engineering. Backed by a land bank of 12,335+ acres and an expanding project pipeline, the group is positioning itself to play a larger role in India's clean-energy transition and the country's long-term Net Zero ambitions.

Coming from a very humble family, has made Dr. Faruk G. Patel a firm believer in giving back to society and corporate social responsibility, actively leading various philanthropic initiatives in education, healthcare, and community development. The business he choose, of renewable energy, is also aligned with his belief to benefit humanity at large. His leadership extends beyond KP Group, as he is recognized for his thought leadership and advocacy for green energy solutions at national and international forums. **World's First Old Age Home for Differently abled** is being developed by KP Group under his leadership.

Continue..

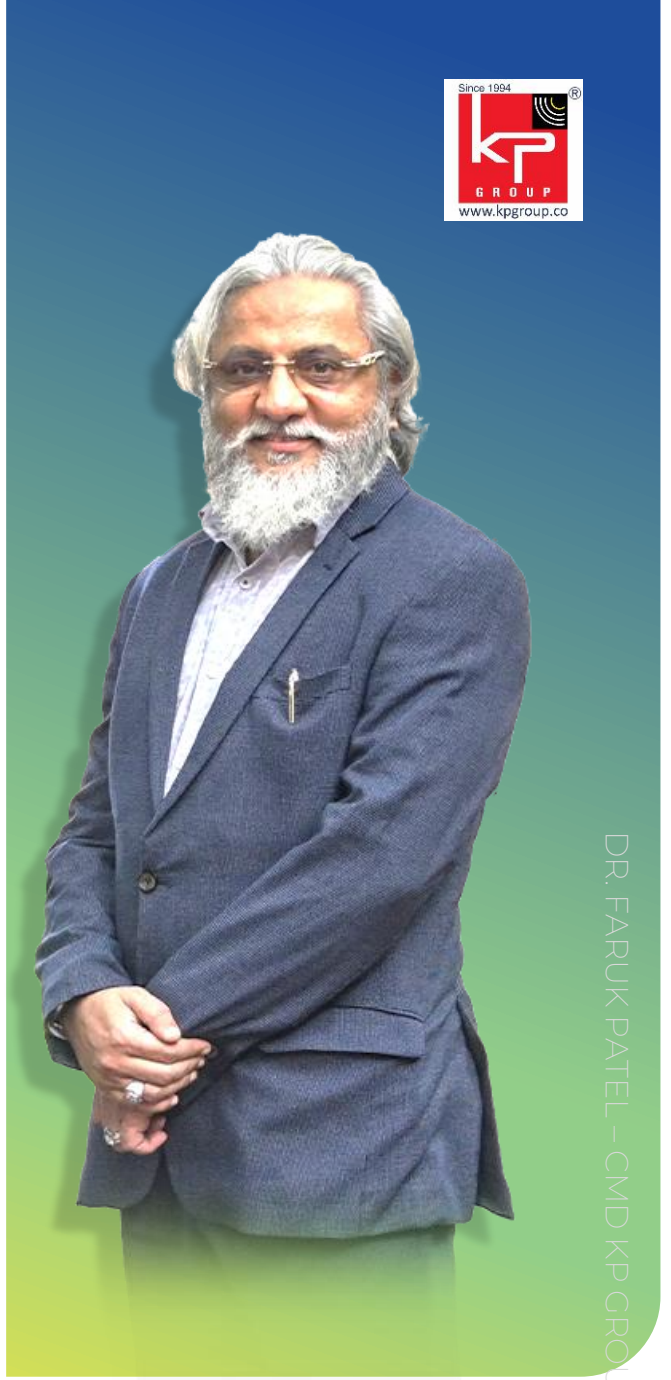

Introduction
Dr. Faruk G. Patel

For his exemplary work in the field of philanthropy, he has been awarded the renowned **Transformational Philanthropist of the Year 2026, Mahatma Award**, **Rotary Lamhe Award** and **Company of the Year: CSR Commitment.**

Dr. Faruk has a special inclination towards education, and the CSR arm of KP Group, known as KP Human Development Foundation, is associated with **110+ educational institutions** benefitting **~14,500 students** and have additionally adopted 7 institutes (5 Government schools, 1 Private schools and 1 college for differently abled). To date he has delivered lectures in **IIM Ahmedabad** and **IIT Bombay**.

His passion for innovation and management has earned him **honorary doctorate** from **American East Coast University, USA**. To his accolades **the idea of one tower multiple network**; an idea which **changed the entire telecom industry** and **first to install wind turbines in South Gujarat** region after three years of research; are few. He has already been awarded as **BRICS International Award for Sustainable Energy Leadership 2026**, **Stars of Gujarat (Hurun India)**, **The Legend of Surat**, the **Leader Award** and many more. He has already made a place amongst wealthiest Indians as per **Hurun India's Rich List**. Under his leadership, **KP Group** has also been awarded **The Best Brand**, **The Most Promising Brand** and is selected as a "**Great Place To Work**" for four consecutive year.

With sharp business intellect and a passion for clean energy, Dr. Faruk G. Patel continues to drive KP Group's mission of powering a sustainable future, making a lasting impact on industry and society at large.

Dear Sir,

Season's Greetings!!

I am writing to extend a warm welcome to you as the newly appointed representative from the industry to the Academic Council at Sir P. T. Sarvajanik College of Science, Surat. Your selection brings immense joy and anticipation among the members of our academic community.

Your expertise and experience are highly regarded and are expected to add a new dimension to our Academic Council. Your presence will undoubtedly enrich our discussions and deliberations, providing valuable insights into bridging the gap between academia and industry.

We believe that your participation will make our Academic Council more vibrant and dynamic, fostering a collaborative environment conducive to fostering academia-industry partnerships. Your involvement will be instrumental in shaping our strategies to align our academic programs with the evolving needs of the industry and preparing our students for successful careers.

We are excited about the opportunities that lie ahead with your involvement, and we eagerly anticipate your valuable contributions to our Academic Council. Your dedication to advancing education and promoting industry-academia collaboration is truly commendable, and we are honoured to have you on board.

Once again, welcome to the Academic Council of Sir P. T. Sarvajanik College of Science, Surat. We look forward to working closely with you and achieving our shared goals of excellence in education and fostering meaningful partnerships with the industry.

Please do not hesitate to reach out if you have any questions or if there is anything we can assist you with.

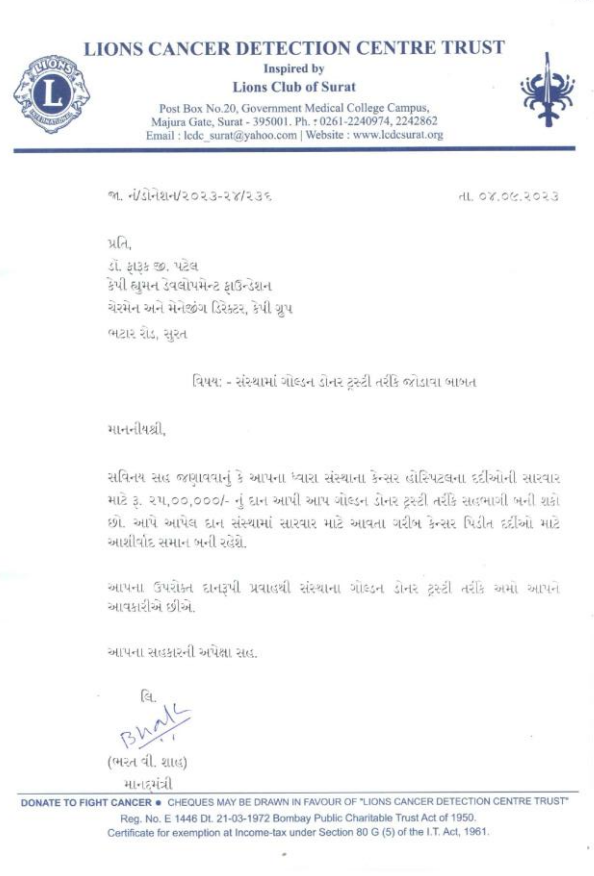

Thank you.

Warm regards.
